## FOUNDER'S MESSAGE

Over the decades, Kakini Foundation has handled many projects related to various **awareness campaigns, healthcare campaigns, educational programmes, skill development programmes, child development, & sports for development**, all of which aim at helping the **underprivileged or weaker section** of the people of this nation. I have always held the belief that through innovation and grassroots efforts, our **young generation** can transform this country, whether rich or poor. The next generation has the power to change this world for the better. The **broad spectrum** of our activities and their success rate speak about dedicated **work & education** done by the Kakini Foundation.

**We have been blessed with generous donor and a dedicated staff, due to which our expectation have been surpassed.**

We move towards **positive social change** and **deliver value** to the society by **improving the quality of life** for the future India. We are **very grateful** for the support that we get from many volunteers, individuals and **corporate companies** that make our work possible. Our volunteers are **self-motivated people** of all ages and from different walks of life who give their **time and resources** to make positive social changes in the lives of Indian youth.

**CDR SANJAY KAUL, FOUNDER**

**There could be no definition of a successful life that does not include service to others.**

**George H.W. Bush**

## ABOUT THE TRUST

Kakini, with a motto to “**build India—build humanity,**” embarked on a **target to reach** out to a large pool of children in **rural India**, specifically from the strife-torn regions of the country, to provide them access to **quality education**. They are inspired to dream big and instilled with a passion to strive relentlessly. Imparting the right kind of counselling, the children are **infused with confidence** to challenge the best. Beginning in **2010 with 45 children**, today, the trust has enlarged its vision to serve the country in **multiple dimensions**, including education, healthcare, life skills, disaster management, etc.

## OUR PHILOSOPHY

### MISSION

To **educate and empower** children and youth to lead a more dignified life with **special emphasis** on physical, mental and social well-being.

### VISION

We aim to **create a future** in which every child will be provided with all the necessities that are essential for them, irrespective of their **social background**. We aspire for a better future with a focus on **Nation building** while using the resources in the best way possible.

**Service to others is the rent you pay for your room here on earth**

**Mohammed Ali**

### COVID 19- EMERGENCY RELIEF

During the unprecedented Covid 19 2<sup>nd</sup> wave emergency, Kakini Foundation tried to do its bit to help Delhi and other parts of India to save lives. **Special Covid Task force groups** were constituted in different parts of Delhi/NCR, Jammu and Kashmir under the banner of the Kakini Foundation.

We distributed **1500 Covid 19 kits with N95 masks, shields, oxymeters and sanitisers** for the local population, arranged for over **50 Oxygen Cylinders and flow meters** and **trained personnel** to operate the cylinders. We also ran an online and on-the-phone consultation service with doctors equipping patients with oxygen and other necessary medicines to be treated at their homes. We donated a van for transport including an **Oxygen Cylinder**. **Over 17 families** who were unable to get food were provided daily meals. During COVID waves, the groups executed the following activities:

- > **Arrangement of BiPap and CPAP machines.**
- > **Managing oxygen concentrators for patients**
- > **Booking and facilitating hospital beds for critical patients.**
- > **Free consultations with doctors for patients and their family members were arranged which created awareness among the society.**
- > **Consultation continued for 3 months with doctors across the globe helping the patients to recover.**
- > **Free food distribution was done at Jagti in Jammu for 3 months.**

# The Year 2021-2022

## ESTABLISHMENT OF TELEHEALTH

Online Tollfree Telehealth service was established to provide **free consultations 24X7**. More than 3500 patients were given consultation, and emergency cases were handled on an immediate basis.

# KOA, Kakini Building Humanity join hands to aid COVID-19 affected in Jammu

## EARLY TIMES REPORT

JAMMU, June 11: With the second wave of Covid-19 wreaking havoc across the nation, the Kashmiri Overseas Association (KOA) and Kakini Building Humanity Trust have come together to provide aid in the form of life-saving oxygen concentrators, cylinders, and Covid-19 protection kits.

The end of April 2021 saw a humanitarian crisis develop in Jammu and Delhi-NCR with hospitals running out of beds, ambulances, and precious oxygen resources. The Kashmiri Overseas Association, a non-profit socio-cultural organisation, serves the purpose of protecting and preserving Kashmiri heritage, and providing financial aid to the needy. Partnering with KOA, the Kakini Building Humanity Trust is a New Delhi-based NGO focusing on education, disaster management, healthcare, and other segments.

Coming together during the time of an unprecedented rise in Covid-19 cases, KOA supplied 315 oxygen concentrators to organisations in Jammu, Delhi, and the rest of India, through Kakini. Along with concentrators, 5,000 Covid-19 protection kits were

prepared by Kakini and distributed all over Jammu and Delhi. KOA and Kakini met and set a list of goals to help combat Covid-19. These included setting up Covid response teams in Jammu and Delhi, making oxygen cylinders and concentrators available for emergency use, Supporting Covid centres in SJM Hospital, Swami Nundlal Bub Hospital, and Medichek Hospital Vitasta and ShriyaBhat Hospital at Jammu, offering 24x7 online doctor consultation services, creating teams to help refill oxygen cylinders, for emergency shifting of devices, and to meet the needs of the elderly.

Covid-19 protection kits by the hundreds have been prepared and distributed by the partners. More than 300 kits

have been supplied in Delhi on a daily basis. These kits consisted of 10 N-95 masks, sanitisers, Vitamin C, Zinc, one oximeter, one thermometer, and a face shield. Archina, President KOA, commented, "The Kashmiri Overseas Association has been working since last 30 years in various sectors like health, education and culture. We have been helping people in all ways possible during this pandemic. In Kakini, we have found a reliable partner who can channelize our intentions to execute our plans for healthcare and disaster management in India. To assist the people that were struggling to get the right assistance KOA is establishing a dedicated 24X7 emergency helpline number". Anyone needing to consul-

tation or a second opinion could call in at any time for a free of cost consultation. To ensure its smooth function, KOA had enrolled doctors from US to be available during the nighttime, while the Indian doctors would be available during the day.

Cdr Sanjay Kaul, Kakini Building Humanity Trust said, "Kakini has always risen to the occasion when the nation needs a helping hand during natural calamities or such occasions when the government resources and reach are not enough to tackle the situation. We are proud to partner with and thankful to KOA to save lives by providing and facilitating oxygen cylinders, oxygen concentrators and other life-saving equipment and services in Jammu and Delhi-NCR."

The selfless work of the members of Kakini Building Humanity Trust and KOA has saved the lives of hundreds of people in Jammu and Delhi during this second wave. While things are now getting back to normal and many states are opening up, both these organisations will continue to do work towards the betterment of the society and lending their helping hand to those who need it the most.
