QUALITY

INNOVATION

TEAM WORK

LEADERSHIP

We are dedicated to providing top-notch services to our customers and take concrete steps to fulfil our social responsibilities also.

PANKAJ GOYAL | FOUNDER

With a **BSc degree in Life Sciences** and diploma in pharmacy from Delhi University, he has **strong knowledge** of the healthcare industry. Having the **expertise of over 10 years** in the industry, he has maintained a cordial association with clients and vendors. His **vision and dedication** have guided the company to success, while his **strategic thinking and problem-solving skills** have been invaluable in navigating challenges and identifying opportunities.

RAHUL GOYAL | CHIEF EXPORT & MARKETING HEAD

With his years of **experience in exports**, he brings a wealth of **knowledge & expertise** to his role. His **expertise in international markets** and ability to develop and execute successful **marketing strategies** have been instrumental in the growth of our company.

An FSSAI-Certified company, Care Pharmacy follows stringent quality control measures and abides by international quality standards.

ETHICS & VALUES

We believe that healthcare should be accessible to everyone, and we are **committed** to making a **positive impact** on the communities we serve. We value **innovation and continuous improvement**. With a positive approach we constantly **explore new ways** to enhance our products and services.

QUALITY

We believe in delivering top-notch quality pharmaceutical products and services with personalized attention & care.

SAFETY

We prioritize the safety & well-being of our customers, & continuously strive to exceed their expectations by providing excellent customer service.

HONESTY

Our team is dedicated to maintaining the highest standards of professionalism, honesty, authenticity and integrity in all aspects of our business.

OUR PHILOSOPHY

MISSION

To provide & deliver medicines with utmost professionalism by maintaining the highest quality standards and following a smooth distribution channel.

VISION

To be a leading provider of quality pharmaceutical products and services globally, making healthcare accessible to all at best rates in the market.

CORE VALUES

Care Pharmacy strongly follows our work culture, ethics & values. Our core values are deeply rooted in our commitment to our customers and their health.

OUR SERVICES

We are dedicated to expanding our reach and offering our exceptional products and services to a wider global audience.

Our commitment to providing **high-quality medication** to our clients has already taken us to several countries, such as **Russia, China, and Hong Kong**, where we have received great feedback from our satisfied customers. Led by our **Chief Export and Marketing head**, Mr. Rahul Goyal, our team is always striving to **innovate and improve** our services to meet the ever-changing demands of our clients. With our **extensive experience** in the healthcare business, we are confident in our ability to provide the **best possible service** to our customers.

Our goal is to maintain the **level of excellence** that has made us successful this far, while also **increasing our presence** in other countries.

EXCELLENCE

COMMITMENT

INNOVATION

OUR PRODUCTS

Care Pharmacy deals in the **distribution and export of medicines** all over the world. With specialisation in oncology products, we have made a **remarkable mark in the industry**.

Allopathic

At Care Pharmacy, we provide a wide range of allopathic medicines available for almost all types of viruses, infections or diseases.

Cosmetics

We offer a diverse selection of cosmetic medicines, crafted to enhance natural beauty, with convenient delivery options across India.

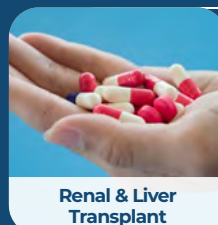

Surgical

We have been providing surgical medicines with reliable service. Our trusted resources ensure to provide only the best medicines.

Anti-Cancer

Our Anti Cancer Medicines can be easily accessed from our store. We run multiple checks before handing over the medicines to our customers.

Renal & Liver Transplant

We have been providing rarely available renal and liver transplant medicines across India at minimal cost with fast shipping.

THIRD-PARTY MANUFACTURING

We take pride in delivering the **best-quality medicines** to our customers, both **domestically and internationally**. Our third-party manufacturing unit is **well equipped** with all the **latest machinery and equipment** that enables us to provide premium quality medicines.

We have been constantly working to **establish & strengthen** our **self-owned manufacturing plant**. By having complete oversight of the manufacturing process, we can ensure that our products meet the **highest standards of quality and safety**. We are committed to investing in the latest technology and equipment to ensure that our manufacturing unit is equipped with **state-of-the-art facilities**. Care Pharmacy also plans to hire the best talent in the industry to work alongside our experienced team to produce only the best products.

With a goal to continue delivering high-quality products that our customers can trust, we have ensured to maintain proper quality checks.

COUNTRIES WE EXPORT TO

We have been delivering oncology products all around the world with a focus to expand our niche and deliver the best medicines.

Care Pharmacy has been a prominent **exporter of medicines to countries** like **Russia, China, and Hong Kong**. We understand the importance of meeting our customers' needs, and we are dedicated to **improving and innovating** our services to ensure their satisfaction. Our **commitment to excellence** is evident in everything we do, from manufacturing to delivery. We believe that everyone deserves access to **quality healthcare**, and we are proud to be able to contribute to the **health and well-being** of people around the world.
