VISION OF RY 2023-24

President Dr Aanchal Khurana

#EMBRACINGUNITY
Building A Symphony
Of Peace

जीवन का पथ जहां से शुरू होता है वो राह दिखाने वाला ही गुरु होता है

On this auspicious occasion of Guru Purnima, I stand here in the presence of my Guru Cdr Sanjay Kaul, who has been a guiding light in my life. I bow down to my gurus and express my heartfelt gratitude for their guidance and wisdom.

CONCERTS OF SERVICE

Organize events where Rotary members, along with local communities, collaborate on service projects to address social issues, promote understanding, and foster harmony among diverse groups.

- PROJECT KOSHISH
- NURSING SCHOLARSHIP PROGRAMME
- CHECK DAM
- SETTING UP OF SEWING CENTER

This was our 2019 project, completed and seen here just after the Monsoon rains in July that year. The retained water seeps down through the Earth's layers to raise the groundwater table in this area, in-time to boost crop production over a 10 sq. km area from the very next year for many decades ahead!

Dam 2014 – our 4th dam!

The fitness level of a normally active person is all we need to enjoy the construction work.

Prior experience is not required, as we work with local foremen and workers.

Rotary Club of Delhi Garden City
24th June 2023

Subject: Proposal for the Establishment of a Sewing Centre in Srinagar

We, at the Rotary Club of Delhi Akash Megapolis, in conjunction with Kakini, a humanitarian organisation, seek your assistance in setting up a sewing centre in Srinagar. This centre will strive to empower local women by providing them with skills, livelihood, and a sense of independence.

Responsibility

The Rotary Club Of Delhi Garden City will be contributing only with machines and will not be responsible for anything else.

The Rotary Club of Delhi Akash Megapolis will take the lead role in maintaining the infrastructure and day-to-day operations of the sewing centre. We will be responsible for providing the necessary equipment, sourcing trainers, maintaining the facilities, and coordinating the programs. We will ensure that the centre will run for atleast three years.

Kakini, with its extensive experience in such initiatives, will support us by providing necessary guidance, helping with community outreach, and ensuring the effective implementation of training programs.

Beneficiary Identification and Impact:

Our main target group will be underprivileged women from the local community. The sewing centre will provide them with necessary skills to become self-reliant and financially independent. The acquired skills can be utilised to manufacture products such as clothing, home decor, and local crafts, which can be sold locally.

KEYNOTE SPEAKERS

Invite renowned speakers, peace advocates, or experts in conflict resolution to share their insights and inspire Rotarians to actively promote peace, understanding, and dialogue in their communities.

- **Mr. Avinash Agarwal**
- **Mr. Uday Sonthalia, CEO, Uni Square Concepts**
- **Mr. OM Agarwal**

CULTURAL EXCHANGES

Encourage international cultural exchanges within Rotary clubs, fostering connections and understanding between different countries and cultures, promoting peace on a global scale.

COMMUNITY MUSIC PROJECTS

Initiate music-related projects that involve local schools, orchestras, or music groups, emphasizing the power of music to bring people together and create harmony across communities.
