

KAKINI BUILDING HUMANITY ANNUAL REPORT 2020-2021

FOUNDER'S MESSAGE

My journey with Kakini has been one of **constant learning**. My earliest experiences of interacting with **children from underprivileged backgrounds** had made me realise what immense potential they have. It also brought me **face-to-face** with the challenges **they face due to the environment** in which they live. These children need **constant encouragement, motivation, counseling and moral support**.

Our task is not to merely give them support; it is to make them **believe in themselves** and help instil in them **self-confidence**, which is the most important tool needed for success.

Once we have managed to give them this most important asset, the **sky is truly the limit**. Our role at Kakini is to help the children **realise their potential** and nurture what they already have. We see them emerging and growing into leaders. This belief in the **skills and abilities** of the people we work with has been at the core of all our programmes. We have seen the dramatic transformations that this approach can conjure up. All our students have done well at their studies; some have enrolled in professional courses, and a few have found employment with leading companies.

CDR SANJAY KAUL, FOUNDER

ABOUT THE TRUST

Kakini, with a motto to “**build India—build humanity,**” embarked on a **target to reach** out to a large pool of children in **rural India**, specifically from the strife-torn regions of the country, to provide them access to **quality education**. They are inspired to dream big and instilled with a passion to strive relentlessly.

Imparting the right kind of counselling, the children are **infused with confidence** to challenge the best. Beginning in **2010 with 45 children**, today, the trust has enlarged its vision to serve the country in **multiple dimensions**, including education, healthcare, life skills, disaster management, etc.

MISSION

To **educate and empower** children and youth to lead a more dignified life with **special emphasis** on physical, mental and social well-being.

VISION

We aim to **create a future** in which every child will be provided with all the necessities that are essential for them, irrespective of their **social background**. We aspire for a better future with a focus on **Nation building** while using the resources in the best way possible.

The Year 2020-2021

ADMISSIONS AND SPONSORING CHILDREN EDUCATION

Kakini's core area of **expertise lies in remedial education**, where we deliver targeted academic support to weaker students to mainstream them and help rebuild their engagement in school. We help **students in their admissions** in school and for **higher education** by sponsoring their education.

The Year 2020-2021

COVID WARRIORS

During the pandemic, we did our part by helping people in Delhi and across different locations in India. We distributed **2000 Covid-19 kits**, which consisted of **N-95 masks, face shields, oxymeters, and sanitisers** for the effected people at Jammu and Delhi NCR. Around **500 oxygen** concentrators were dispatched across the country to various organisations for emergency use. Kakini arranged for the supply of **over 50 oxygen cylinders** and flow masks and has also trained people concerning the operation of the same.

The effected families at certain locations in Delhi, NCR and Jammu were supplied with **daily meals and medicines**. Two ambulances with an oxygen cylinder were put into service by Kakini during this crisis. 40,000 masks were distributed in Delhi, NCR, Jammu, Kashmir and Himachal Pradesh, where our teams were working day and night.

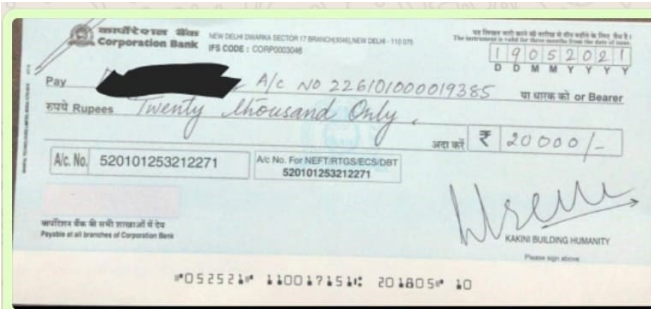

The Year 2020-2021

The effected families at certain locations in **Delhi NCR and Jammu** were supplied with daily meals and medicines. Two Ambulances with an oxygen cylinder were put into service by Kakini during this crisis. **40,000** masks were distributed at **Delhi NCR, Jammu, Kashmir and Himachal Pradesh**, where our teams were working day and night.

We are thankful to kakini for providing initial relief to next of kin of one of our kp brother who left us at midnight ...

We expect help from all quarters and request all who want to help to contact kakini contact number **+918130419130** for details of bank account and name of next of kin .. Request please keep name of next of kin as confidential...

Great gesture from Ajay Raina ji of Maha Gayatri Sewa Sansthan for grant of initial relief to next of kin of our kashmiri brethren whom we lost to the deadly virus and who were sole bread earners of their families ... we request others to come forward and help us empower all these families.. for details of next of kin please contact **+919419136545** and

KOA and Kakini Building Humanity Join Hands to Aid Covid-19 Affected in Jammu

Jammu, June 2021: With the second wave of Covid-19 wreaking havoc across the nation, the Kashmiri Overseas Association (KOA) and Kakini Building Humanity Trust have come together to provide aid in the form of life-saving oxygen concentrators, cylinders, and Covid-19 protection kits.

The end of April 2021 saw a humanitarian crisis develop in Jammu and Delhi-NCR with hospitals running out of beds, ambulances, and precious oxygen resources. The Kashmiri Overseas Association, a non-profit socio-cultural organisation, serves the purpose of protecting and preserving Kashmiri heritage, and providing financial aid to the needy. Partnering with KOA, the Kakini Building Humanity Trust is a New Delhi-based NGO focusing on education, disaster management, healthcare, and other segments. Coming together during the time of an unprecedented rise in Covid-19 cases, KOA supplied 315 oxygen concentrators to organisations in Jammu, Delhi, and the rest of India, through Kakini. Along with concentrators, 5,000 Covid-19 protection kits were prepared by Kakini and distributed all over Jammu and Delhi. KOA and Kakini set and met a list of goals to help combat Covid-19. These included setting up

been prepared and distributed by the partners. More than 300 kits have been supplied in Delhi on a daily basis. These kits consisted of 10 N-95 masks, sanitisers, Vitamin C, Zinc, one oximeter, one thermometer, and a face shield. Mrs Archina, President KOA, commented, "The Kashmiri Overseas Association has been working since last 30 years in various sectors like health, education and culture. We have been helping people in all ways possible during this pandemic. In Kakini, we have found a reliable partner who can channelize our intentions to execute our plans for healthcare and disaster management in India. To assist the people that were struggling to get the right assistance KOA is establishing a dedicated 24x7 emergency helpline number". Anyone needing to consultation or a second opinion could call in at any time for a free of cost consultation. To ensure its smooth function, KOA had enrolled doctors from US to be available during the night time, while the Indian doctors would be available during the day.

Helping those who ensure dignity to the Covid dead

VOA members donate plants and sanitisers to the Durgiana Temple Committee in Amritsar.

TRIBUNE NEWS SERVICE

AMRITSAR, MAY 29 A local NGO, Voice of Amritsar (VOA) today provided sanitisers and other safety items to the workers at cremation groups to ensure their safety during the Covid pandemic. They stated that many bodies of Covid patients are cremated daily and the workers needed safety equipment. They stated that these equipment would also be provided for workers of other cremation grounds. Voice of Amritsar today also

The Year 2020-2021

Friends, please support 'Kakini Building Humanity' instead of running here and there to offer help. This foundation really does immense work.

On one side we saw ugly faces of humanity and failed government systems and support, but on the other side we saw angels like Shri Sanjay Kaul ji who has been working relentlessly to provide Oxygen cylinders, concentrators and other essentials to the critical patients both within Kashmiri Pandit community to other communities too - frankly he has stood like a pillar in saving lives of many critical corona infected patients including some of my relatives and friends. With no ICU beds and oxygen cylinders available I saw him fight like the real army hero saving as many as he could with his support and advise. His team ran all over the city and outside city to refill cylinders to make sure no one loses life to no breath! I can't thank Sanjay ji

BHAJAN SOPORI Indian Instrumentalist

Pandit Bhajan Sopori was an Indian instrumentalist. He was a player of the santoor. He was awarded the **Sangeet Natak Akademi Award** in 1992 and the **Padma Shri** in 2004. In 2009 he was honoured with the **Baba Allaudin Khan Award**.

He was also awarded the **M N Mathur award** in 2011 for his contribution to **Indian classical music** and **Jammu and Kashmir State lifetime achievement award**.

to no breath! I can't thank Sanjay ji enough for all he has been doing to make sure families don't face any devastation because of the pandemic.

Cheers to you Sanjay ji and your 'Kakini Building Humanity' Foundation (@Kakini9) for true Humanity and care you offer.
