

R.K. CONSTRUCTION
ENGINEERS & CONTRACTORS

WE BUILD MORE THAN JUST BUILDINGS, WE BUILD DREAMS!

ABOUT US

R.K. Construction is a rapidly expanding and emerging industrial infrastructure company in India. We are one of the largest and most respected companies, with headquarters in Jamshedpur. Mr. Rajendra Shangari started this company in the year 1987. R.K. Construction specializes in the execution of large and complex urban and industrial infrastructure projects and has become a leading construction company in Jamshedpur, Jharkhand and Bihar. We have grown to develop megastructures and iconic landmarks with a workforce of 400 technical and administrative staff and over 3000 labour force.

We offer ready-to-deploy solutions for industrial civil construction jobs, roads, bridges, dams, commercial and residential buildings. We also do fabrication, erection, cladding, water and waste management, and mining and metal purification systems.

Our motto is to deliver projects on time with the assistance of our sister companies M/s JCPL, J Shangari Fabricators Pvt Ltd, Engg. Equipment by utilizing world-class management techniques and machinery that do not compromise on safety and sustainability. We are a member of Singhbhum Chamber of Commerce & Industry, Jamshedpur, Jharkhand and are ISO 45001 : 2018, ISO 14001 : 2015 and ISO 9001 : 2015 Certified. Over the years, R.K. Construction has grown to INR 100 Crore in FY 2019-2020. We are one of the most reputable and promising construction companies. We have successfully leveraged our core strengths to implement several iconic infrastructure projects in India with our vibrant project portfolio.

MISSION

To be the industry leader and engineering construction firm known for excellence, quality, performance, and dependability in all types of construction.

CORE VALUES

- 1. INTEGRITY:** Our company is built on the principles of integrity, fairness, and honesty, which is the heart of our every project.
- 2. QUALITY:** We are unshakably committed to meeting the highest standards for our clients and communities. We give our everything to each task we carry on.
- 3. SAFETY:** Safety is not just a priority; it is an intrinsic part of our culture.
- 4. CUSTOMER SERVICE:** Before, during, and after a project, we collaborate with our clients as partners and trusted advisors. We exceed expectations to earn and maintain their trust.

VISION

To be the world's number one and continue to exceed customer expectations while providing a safe and harmonious work environment.

- 5. SERVICE TO THE COMMUNITY:** It is both our responsibility and a privilege to improve the lives of those who live in the communities where we work and contribute to long-term, positive change.
- 6. INNOVATION:** We create and use cutting-edge technology. We listen, learn, and seek out the most innovative ideas. We fight complacency and strive for continuous improvement.

AREA OF BUSINESS

We excel at solving the industry's most difficult challenges as diverse and innovative builders. Our mission is as straightforward as our work is varied and complex.

Buildings: Our building group is high-end, collaborative, and experienced. We work closely to maximise every rupee. R.K. Construction is trusted by private & public sector owners to deliver on time, within budget.

Creating, maintaining, and operating infrastructure for construction activities and the execution of major projects.

Fabrication: We have two fabrication industries where we do fabrication and electroplating of the fabricated materials like steel shutring, scaffoldings, press steel doors, grills, equipments components etc.

Civil Construction: We engage in a wide range of Civil Construction activities.

CONSTRUCTION SERVICES

We are a full-service construction company providing design-build, pre-construction and construction management. Our company offers a wide range of industrial civil services, such as building foundations, special repairs, decoration, waterproofing, tiling, woodwork, and so on.

Buildings & Construction: Pioneers in building residential complexes and commercial spaces, we utilize industry-wide best practises in structural contracting for concreting, brick work, form & reinforcement work.

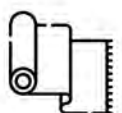

Piling job: We employ cutting-edge technology, including hydraulic and manual rings.

Infrastructure: We are a major contributors to the nation-building process. We have a strong presence in the construction of roads, dams & bridges throughout India,

Mechanized housekeeping: We make use of both our manpower and desisting machines.

Fabrication and Erection jobs: It involves the use of various high-quality tools and CNC equipment for grinding, welding, cutting, bending, drilling, punching, burning or melting, and other general crafting methods.

MACHINERY, TOOLS & EQUIPMENT

Proper tools and equipment are required for the efficient operation of any civil works site, and R.K. Construction is well equipped with high end, modern technology. We are the only ones in Jamshedpur with modern equipment.

We have a large selection of sophisticated, dependable, and efficient excavators, hydraulic rigs, concrete pumps, drilling machines, dump tanks, and other high-end machines for the construction segment. Because of the availability of toughened undercarriage, intelligent hydraulics, and powerful engines, we outperform our competitors in terms of performance and productivity.

Road construction, infrastructure projects, aggregate loading, irrigation, brick work, aquaculture, material handling, and mining are just a few of the applications for these machines. Tunnelling, granite, trenching, rock-breaking, slag handling, and long reach applications are available as optional configurations.

The equipment we have are: hydraulic excavators, wheel loaders, backhoe loaders, motor graders, vibratory compactors, cranes, dumpers, tippers, dozers, pavers, batching plants, diesel engines, and other heavy machinery.

QUALITY POLICY

We at R.K. Construction, aim to maintain our leading position in the construction industry through our passion and commitment to quality and use of top-class technology. We follow the rules. Safety and quality are our top priorities. We never compromise on the quality of our services. We believe in providing only the best to our clients. We provide necessary resources to achieve the required quality standards.

CERTIFICATIONS & RECOGNITIONS

Our journey over decades has garnered accolades and awards, providing the group with the recognition and strength to do extraordinary work daily. We are a proud member of the Singhbhum Chamber of Commerce & Industry in Jamshedpur, Jharkhand, and have ISO-compliant accreditations. We ensure that the necessary processes and procedures are in place to meet objectives efficiently and consistently. R.K. Construction has received numerous awards for its years of constructing high-quality and innovative building designs.

MAJOR PROJECTS UNDERTAKEN
