About Us

Sam Vegetable Colours is a pre-eminent natural dyes manufacturing company in India. An **ISO-certified** company, we deal in the manufacturing of a diverse range of natural products, including **Natural Dyes, Natural Dyed Organic Cotton Fabrics, Natural Dyed Khadi fabrics and Natural Dyed Hand Loom Denim Fabrics.** Along with manufacturing **finest-quality organic products,** we also provide **job work services** by using the advanced Jigger dyeing machine for natural dyeing on all kinds of fabrics at competitive prices.

Established in 1994, we are the only company in India to manufacture and dye with natural dyes. Sam Vegetable Colours has been consistently delivering the finest-quality dyes to its clients over the years under the dynamic **leadership of our experienced directors Mr. Mahesh Jain, Mr. Sajal Jain, Mr. Alind Jain and Mr. Rachit Jain.** We have also spread our wings to other verticals by taking over our sister concerns namely, **"Sam-N-Ram"** and **"Interline exports"** in 2004.

TRAINED TEAM

The highly professional & trained team of Sam Vegetable Colours ensures the delivery of the purest & most authentic natural dyes.

DECADES OF EXPERIENCE

Having a strong hold in the industry for more than 3 decades, we are one of the oldest natural dye manufacturing companies in India.

STATE-OF-THE-ART PLANT

Our state-of-the-art dyeing plant in Moradabad, Uttar Pradesh, possesses latest & advanced equipment.

ENVIRONMENTAL SUSTAINABILITY

Holding expertise in their respective field, our team always strives to work sustainably for the betterment of the environment.

STRONG CLIENT BASE

Our expertise in dyeing fabric with appropriate colours & quantity has garnered us a strong client base.

Organic & Natural Dyes

With a strong **expertise** in **manufacturing natural dyes**, Sam Vegetable Colours follows a **stringent quality control** system to produce **organic & authentic dyes**. We conduct our operations with **utmost responsibility** towards the **environment**.

Our **unique range** of dyes includes **13 natural dyes & 3 mordants**. The aqueous extraction method is practised by our team to retain the **highest efficacy** of the raw material. Our range of **natural dyes** are procured **directly from nature**.

Natural Dyed Fabrics

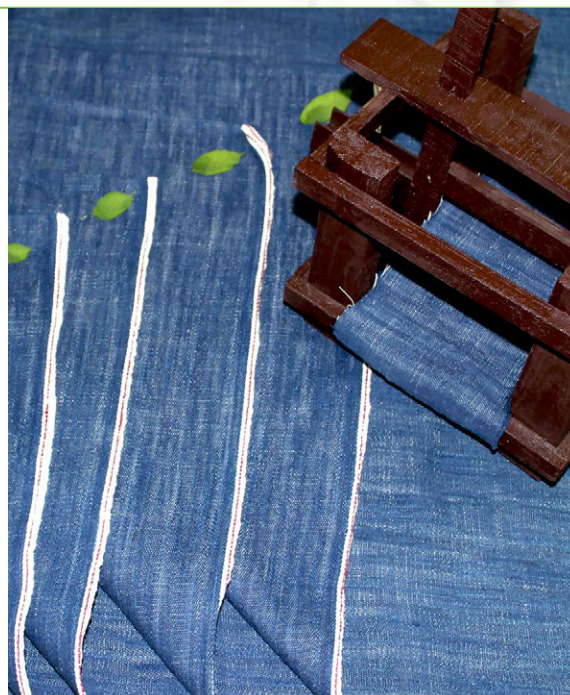

Along with natural dyes, we have **proficiency** in manufacturing naturally dyed fabrics. We at Sam Vegetable Colours, strive to deliver **organically grown fabrics** without the use of any chemical substances. We provide **100% pure & natural fabrics** dyed in natural colours for the benefit of the environment & our clients.

In addition to **manufacturing high quality fabrics**, we are the expert in dyeing any kind of fabrics including **Organic Cotton, Hemp, Linen**, sustainable fabrics like **Aleo Vera, Soya, Milk, Lotus, Banana**, etc. Sam Vegetable Colours is the **direct source** of these **fabrics dyed with natural dyes**.

Khadi Fabric

Khadi fabric by Sam Vegetable Colours is crafted using **hand-spun yarn**, and **hand loom weaving**. The unique feature of our Khadi fabric is its **100% eco-friendliness & sustainability**. The process is **completely manual**, and not even a single machine is used in crafting our Khadi fabric. The Khadi fabric is **naturally dyed** in multiple ranges of colours according to the **needs & preferences of our clients**.

Handloom Denim Fabric

Handloom denim is an initiative by Sam Vegetable Colours towards **socially responsible fashion & clothing**. Manufactured using **mill-spun, hand-spun yarn & hand loom weaving**, we ensure to **deliver superior quality fabrics at competitive prices**. The denim fabrics are naturally dyed using our in-house equipment.
