---

# Professional, pride-driven ORGANISATION

Experience the latest trends and products from around the world only at Sripawan, with our team of highly dedicated and motivated craftsmen dedicated to create best quality designer stones. We offer a wide range of colour, shape, and design options, as well as great durability and value for indoor and outdoor applications.

## India's top marble & stone contractors

Sripawan is the leading organization in India representing the dimension stone industry for over 30 years. The firm was established in 1988 with the goal of completing high-quality marble and granite projects for hotels, institutions, residential, corporate offices, and commercial structures.

Sripawan is the brainchild of Mr. Kanti Prasad Jangid. The company has established the fabrication/installation standards for the stone sector and offers a variety of services to help you. Headquartered in South of Delhi, India, this company deals in all kinds of stones like Indian & imported marbles and granites.

We are a professional, pride-driven organisation that prioritizes great communication and customer satisfaction. Sripawan is India's largest ceramic tile and natural stone maker and trader, with 15,000 square feet of workshop space in South Delhi. We work in construction, real estate, etc. We have developed to become one of India's top commercial tile and stone contractors and we are now widely regarded as industry leaders.

We are accredited by the Natural Stone Institute and are a member of the Marble Institute of America. As a result, we adhere to the industry's highest quality requirements.

Sripawan

# Visionary founder & leader

## KANTI PRASAD JANGID

Sripawan has seen exponential growth under the leadership of Mr. Kanti Prasad Jangid, a highly experienced professional with over 30 years of expertise. He is a visionary who is dedicated to make this company the best in the business. He emphasizes on enhancing business development, growth, and client contentment. He is personally involved in the day-to-day operations as well as the preparation and implementation of annual business goals.

---

# Our values

**Mission: To set ourselves apart from the competition by providing exceptional service & craftsmanship to our clients, maintaining a professional atmosphere and continually exceeding expectations through a collaborative effort with our suppliers & contractors.**

Sripawan has stayed true to its craftsmanship, sustainable development, and innovative designs. Our brand value gives us a distinct identity and a high level of customer loyalty.

**1. Team Spirit:** Each member of this company aims to retain the position of the company as a recognized leader in the business by integrity, innovation, and honesty.

**2. Customer Satisfaction:** We work hard to set ourselves apart from our competitors by providing our customers with superior service & craftsmanship.

**3. Accountability:** We are responsible for whatever we do. We are responsible for all goods that are subject to quality and delivery commitments. By creating highest quality marble and granite products, we assure that we do not cause any harm or risk to the environment.

**4. High Ethical Standards:** We follow all applicable laws, rules, norms, and legal processes in the countries to which we export. Quality is important to us, therefore we only manufacture and supply high-quality products to our customers. From the beginning to the end, we believe in and support only the highest quality.

**Vision: To expand globally and become a part of every household.**

# Marble, granite & sandstone **STONES**

We follow industry best practises and cutting-edge technology for stone installation and production procedures. High-end custom designing is our passion. We work with a wide range of Indian and imported stones, including high-end marbles and granites. Our artisans work tirelessly to carve these stones into stunning designs that fit the needs of our customers. We are your one-stop shop for marble, granite, and sandstone projects, and we offer complete solutions.

---

## Turnkey services

**Our in-house professionals have the technical & practical knowledge to provide a fully comprehensive turnkey service from conception to completion. We source all material, specialist labour, fixings, and fittings at the best possible price for our clients without sacrificing quality.**

**Imported Marbles:** If you want to add a personal touch or redesign your new home or existing space, the first thing that comes to mind is Italian marble. With its gorgeous hue, distinctive lustres and strains, Italian range lends a rich appearance to the house floor, walls, kitchen, rooms, and bathroom. It is a popular choice in hotels, multinational companies, restaurants, resorts, retail malls, schools, and other businesses due to its exquisite appearance.

**Granite Stones:** They come in a variety of shades, finishes, and polishes, and are primarily utilised in Designer Granite Flooring, Elevation, and Decorations. We provide you with the best selection of volga blue granite, labradorite granite, brown pearl granite, blue pearl granite, and emerald pearl granite.

**Give character to your interior, create a lovely backdrop, while keeping the sturdiness intact.**

# Our services

## Residential

1. **Home Remodelling:** Home renovation is an exciting process with many possibilities. With our knowledge and experience, we can assist you in navigating the procedure of choosing and installing high quality stones.
2. **Kitchen:** Our experienced designers and our team of professionals help you build the kitchen of your dreams using our fine high-quality marble floors and granite kitchen slabs.
3. **Flooring:** We take the chance to improve the look of your home with a high-quality, professional flooring installation.
4. **Contractor Only:** As an alternative we can operate solely as contractors, and carry out works designed and managed by others, whether for a complete or partial Marble work project.

## Hospitality

We provide and install marble work and designs, using creative technical and managerial solutions within a building.

1. **Flooring and wall fire places:** We employ high-quality Italian marbles with distinctive designs and cutting-edge technology in our flooring and wall fire places.
2. **Garden Fountains:** Our team excels in providing creative guidance and incorporating a variety of excellent aesthetic ideas to produce the best.
3. **Bathrooms:** We help in creating bathing spaces that give you a sense of calm. We create priceless basins and bath tubs from the high-quality marbles and granites available.
