15,000 sq ft workspace area

Range of Natural Stones & Marbles

Exceptional durability & value

Headquartered in South Delhi, India, we are well equipped with all the necessary tools and equipment required to execute our operations. Our products are suitable for both indoor and outdoor purposes.

Our Philosophy

We have a strong brand identity that sets us apart from our competitors

MISSION

To provide exceptional service and craftsmanship by supplying highest quality turnkey services to our customers. We strive to execute the project with the best-in-class natural marbles and stones.

VISION

To become a globally recognised brand in stone industry by establishing ourselves as an essential component in every household.

CORE VALUES

Stone Infosys has been able to deliver exceptional quality services because of our dedication towards artistry, sustainable development and cutting-edge designs. We have established a strong brand identity that sets us apart from our competitors, and has garnered us high levels of consumer loyalty and devoted clientele.

We adhere to all relevant regulations, guidelines, standards, and lawful procedures while carrying out our business operations.

Esprit de corps: We are committed to uphold the company's position as a renowned industry leader through the values of trustworthiness, reliability, creativity and authenticity.

Customer Satisfaction: We distinguish ourselves from our competitors by delivering exceptional services with skilled artistry and expert finesse to our valued clients.

Stewardship: We strongly believe in being accountable for our actions by ensuring the timely delivery of our products.

Turnkey Services

We provide complete customised solutions to our customers

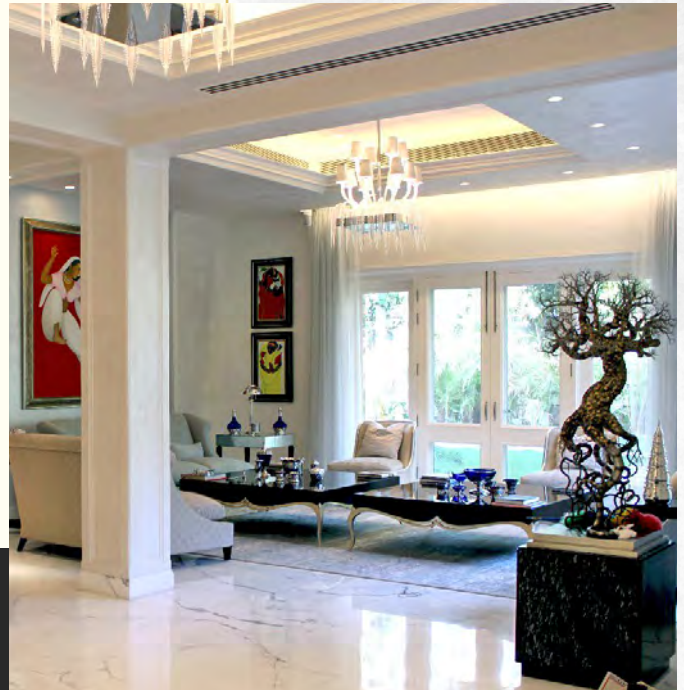

We handle everything from sourcing material and specialized stone workers to fasteners and fittings. Stone Infosys focuses on delivering best quality work at the most affordable prices. Our expertise allows us to offer a complete range of turnkey solutions to our clients.

Our extensive portfolio of executing and managing turnkey projects has garnered us a strong hold in the market. We also offer our clients with the choice to incorporate luxurious Indian and imported Marble, Terrazzo Flooring and Inlay Work into their designs. With our turnkey services, clients can relax while we take care of every aspect of their project with our Technical Staff. From conceptualisation to completion, we take the responsibility to execute the project with utmost professionalism and elegance.

Along with marbles, we specialise in delivering projects by using high-quality granite stones that enhances the aesthetic appeal of various spaces. These versatile materials are available in a variety of shades, finishes, and textures, making them suitable for use in designer flooring, elevations, and decorations.

Our highly trained manpower is efficient in installing the granite stones to the highest standards, ensuring exceptional outcomes.

Our experienced professionals assist customers in selecting the best granite stone to suit their design requirements, ensuring personalized and unique solutions.

Residential Services

Stone Infosys has delivered elevated residential projects across the country.

Home Remodelling: With our highly qualified team of designers and engineers, we have expertise in remodelling homes. Home renovating is an exciting and thrilling endeavour that opens up numerous possibilities. We assist our clients in navigating the process, from selecting the ideal high-quality stones to overseeing the installation phase.

Kitchen: We understand that the kitchen is the heart of the home, and we work tirelessly to ensure that every detail is taken care of, from selecting the most exquisite high-quality marble floors to choosing the perfect granite kitchen slabs. With our extensive experience in the industry, we are confident in our ability to turn your dream kitchen into a stunning reality

Flooring: We at Stone Infosys offers you with the opportunity to elevate the appearance of your home through our professional flooring installation services. Our expert team is committed towards using only the highest quality materials and implementing meticulous installation techniques to ensure that your flooring not only looks stunning but also withstands the test of time.

Terrazzo flooring is a highly complex work which is made easy by our professionally trained team. With our expertise, we can install Terazzo flooring anywhere in your living space. We pay attention to details and ensure that only the best output is delivered to the clients. Terrazzo flooring is highly durable and gives an elegant style.

Contractor only: We possess the capability to function exclusively as contractors for your marble work project, executing tasks that have been designed and supervised by other professionals. This encompasses both complete and partial projects, and our team of skilled experts ensures that the work is carried out with the utmost standards of quality and precision.

Hospitality Services

We ensure to deliver a seamless and satisfactory outcome to our customers

Our expertise in executing exceptional marble work by utilising innovative, technical and managerial solutions has made us stand out from the crowd. We have incorporated high-quality imported marbles with unique designs and cutting-edge technology to create stunning and functional spaces.

Flooring and Wall fire places: Our specialisation in marble flooring and wall fireplaces enable us to create captivating and distinctive visual elements that are unmatched in their superior design and state-of-the-art technology. We employ premium quality Italian marbles in our flooring & fire places according to the needs and specifications of the clients.

Ornamental Garden fountain: We utilize a diverse range of outstanding aesthetic concepts to produce exceptional garden fountains. Stone Infosys recognizes the significance of striking the perfect balance between functionality and beauty.

Ensuite and Designer bathroom: Our team of skilled professionals is dedicated to assist you in creating a serene and relaxing bathroom space that provides a calming retreat. We take pride in utilizing only the highest-quality marble and granite to produce exquisite and priceless basins and bathtubs.

Our meticulous attention to detail ensures that your bathroom is not only functional but also a beautiful oasis that allows you to escape the stresses of daily life.

Stone work

Transforming ordinary areas into exceptional works of art made from nature's canvas.

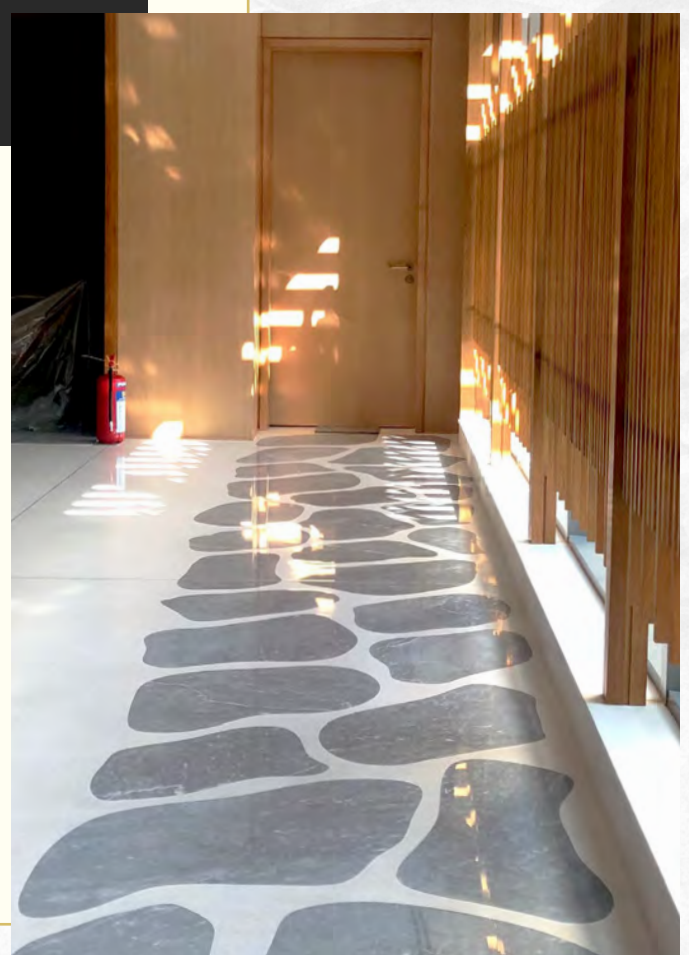

Our passion for planning and installing exceptional stone work is unparalleled. The team at Stone Infosys is well equipped to handle all the commercial needs of our clients. From universities and campuses to government buildings, monuments, and office spaces, we handle it all with utmost professionalism and responsibility.

Showroom services

We have been consistently exceeding their expectations with our best-in-class outcomes

Throughout our years of operations, we have established successful partnerships with numerous prominent showrooms across India. Stone Infosys has been consistently exceeding their expectations with our best-in-class outcomes. In addition, we have also established close collaborations with various local showrooms and contractors, providing them with expert assistance in carrying out day-to-day installations.

Maintenance & repair

Unleash the elegance with a touch of luxury in stones

Our expertise in natural stone maintenance and repair allows us to provide our clients with comprehensive restoration and installation services of unparalleled quality. Our company strives to preserve the timeless elegance and allure of your showrooms by utilizing only the highest-quality natural stones and applying meticulous attention to detail in every aspect of our work.

Imported Marbles

Our imported marbles are renowned for their stunning colours, distinctive lustre

When it comes to imparting a personal touch or renovating a residence or any other space, numerous individuals consider employing Italian marble as their primary choice. Stone Infosys specialises in employing premium quality Italian marble in India as well as other countries to enhance the beauty of your living spaces. Our imported marbles are renowned for their stunning colours, distinctive lustre, and intricate designs that add a touch of luxury to the floors, walls, kitchens, rooms, and bathrooms of a house.

Italian Marble

Known for the exceptional durability and value

We prioritise excellence in our work and select imported marbles with utmost care and precision. The popularity of our imported marbles is not confined to homeowners, but it is also widely utilized in hotels, multinational corporations, restaurants, resorts, shopping centres, schools, and other commercial spaces, owing to its sophisticated appearance.

Granite Stones

Extensive range of premium quality granite stones

We offer an extensive range of premium quality granite stones, available in a variety of shades, finishes, and polishes. Our stones are an ideal choice for designer flooring, elevations, and decorations, boasting versatility, durability, and resistance to scratches, stains, and heat. Our selection comprises an array of popular granite types, including Volga Blue, Labradorite, Brown Pearl, Blue Pearl, and Emerald Pearl granite.

Quality Output

Delivering exceptional customer service

Our team of experts is well-equipped to guide you in selecting the most suitable granite stone that complements the overall design and aesthetics of your project. We at Stone Infosys hold a firm commitment to delivering exceptional customer service and high-quality products that exceed your expectations.

Sand Stones

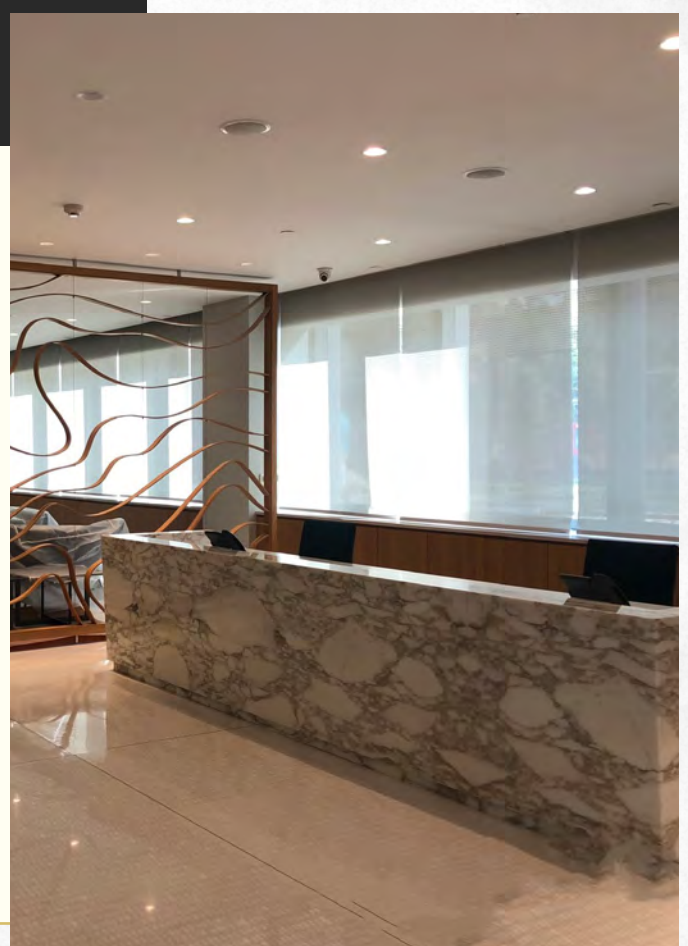

We have executed multiple projects successfully using premium quality sandstones.

At Stone Infosys, we specialize in using Sandstone to add a natural and textured aesthetic that complements a wide range of architectural styles. Sandstone is a popular option for outdoor landscaping and paving projects, where its unique and attractive appearance enhances the visual appeal of the space. We have executed multiple projects successfully using premium quality sandstones. Our sandstone is an ideal choice for interior flooring due to its practicality and aesthetic appeal.

Unique Designs

We offer wide range of architectural styles

We offer a variety of textures, including polished and natural finishes, that can be tailored to suit a range of design preferences. Our selection of high-quality sandstones includes Teakwood sandstone for exterior landscaping, Mint sandstone for decorative features such as ornamental carvings or fountains, and Chocolate Sandstone for flooring, interior wall cladding, and fireplace surrounds, bringing a timeless and organic feel to any design. Its durability and resistance to moisture make it a versatile option that is used in various living spaces, kitchens, bathrooms, and living areas.
