We believe that excellence is a journey, and we continuously strive to offer the best output to our clients and team.

INNOVATION

Our team brings new and innovative solutions at every stage to continuously improve and better our output.

CORE VALUES

OUR ETHICS

Our values help us carry out our operations effectively and with integrity. We strongly believe in conducting our deeds with utmost responsibility.

We believe in 100% transparency & deliver the best output.

OUR SERVICES

Our in-house team of professional consultants carries out **preliminary interviews and tests** with utmost **sincerity**.

We have been associated with some of the **top brands across the globe** that is in constant search of **skilled manpower**. We offer **pre-selection & post-selection services** that help companies & candidates with **systematic & trusted associations**.

Sunrise Universal Consultant conducts a screening process to **filter the right candidates** and the **right companies**. Sunrise Universal Consultant also assists clients in **fulfilling e-migrate formalities** required by the **government of India** to hire manpower from India.

PRE-SELECTION

Our process begins with confirming the terms & conditions of the recruitment with the client. For commencing recruitments, we collect the required documents including demand letter, power of attorney, work agreement etc. We evaluate, test, and select candidates based on the needs of the company. Trade tests are conducted to test the practical knowledge and competence of the candidates. Trade tests are conducted all over India at government-recognized centers.

Necessary approvals from the government authorities

Trade Testing Facilities for Final Selection

Advertising in local newspapers regarding the opportunities

Screening & preliminary interviews by well-qualified consultants

POST-SELECTION

Our post-selection process begins with the preparation and authentication of passports & other required documents. We offer the following post-selection services.

- > Signing of an employment contract with the client
- > Conducting medical fitness formalities, Visa formalities
- > Emigration clearance after receiving Visa
- > Service charges & Executing travel formalities & brief orientation
