ABOUT US

Executing our activities in a sustainable way

Winchem International Ltd. is a paramount trader & distributor of quality petro-chemical products. We have been able to meet the needs of our customers by delivering exceptional and authentic quality products since our inception in 2019. Winchem International Ltd. is committed to execute the core activities in a sustainable way with limited environmental ramifications. Our company is known for our commitment towards work & our ability to provide complete customer satisfaction. Delivering through a well-structured distribution system, our premium-quality products are sourced from reliable and trustworthy sources across the world.

We have strong distribution channels across the country, ensuring prompt delivery along with effective coordination & communication. Our channel partners are located in every region of the country making sure that our products are easily available across Africa. We comply with ISO standards to deliver only the best. Our strong team of more than 50 employees is the reason for our success in the industry. We believe in creating a collaborative work environment where every individual is appreciated and respected. Promoting local employment, we have employed more than 90% of local inhabitants of Uganda. The team at Winchem International Ltd. is proficient in the execution of operations & holds expertise in their respective fields.

100 + EMPLOYEES

DECADES OF EXPERIENCE

OUR PHILOSOPHY

Known for our transparent business ethics

MISSION

To become the sole choice of the companies in East Africa by consistently delivering high-quality petro-chemical products.

VISION

To become a globally recognised name in the world of petro chemical products trading by focusing on environmental sustainability.

CORE VALUES

We are known for our transparent business ethics and structured systems. Our strong core values are the backbone of our company, helping us carry out our operations in a smooth and systematic way.

HONESTY

We are always honest towards our customers and believe in 100 % transparency. We have developed strong associations because of our loyalty towards our customers.

INTEGRITY

We build trust through responsible actions and honest relationships with the highest standard of fairness and ethical behaviour.

CUSTOMER SATISFACTION

Our customers are our priority, and we make sure that we execute our operations by fully understanding the needs and preferences of our customers.

QUALITY

We have maintained consistent quality with our strong quality control systems and follow international standards for procurement, enabling us to source quality products.

VITALITY

We are able to fulfil our commitment because of our strong convictions, spontaneity, willingness to take risks and learn from our mistakes.

LEADERSHIP

Winchem International Ltd. is well led by our dynamic directors & founders, Mr. Jagadish Sorathiya & Mr. Jitendra Sorathiya. Our directors are driven by the passion to provide customers with the finest quality products & services. With a strong business acumen, they are proficient in formulating strategies based on the changing business environment.

MR. JAGADISH SORATHIYA

Holding more than 13 years of expertise in the manufacturing and trading line, he has made Winchem International Ltd. a well known petro-chemical trading company in East Africa. He focuses on formulating result-oriented strategies for the benefit of the customers.

MR. JITENDRA SORATHIYA

With an expertise of more than 15 years in managing business operations & strategy formulation, he has helped Winchem International Ltd. reach a remarkable position in the market. He is a man of morals & believes in executing operations ethically & systematically.

MR. VISHAL DONGA

Mr. Vishal Donga, the General Manager of Winchem International Limited, is proficient in managing business operations with his years of expertise in the industry.
