## GROUP OF COMPANIES

---

## QUALITY AT ITS BEST

### We create, innovate & deliver

Our strong work culture results in cumulative growth for our stakeholders. Winworld Group of Companies was founded by our dynamic leaders, Mr. Jagadish Sorathiya & Mr. Jitendra Sorathiya. With a strong business acumen, our directors are proficient in formulating strategies based on the changing business environment.

## THE WINWORLD GROUP

### Known for integrity & premium-quality products

Winworld Group of Companies is a conglomerate having diversified into different verticals, including the manufacturing of flexible plastic packaging material, plastic recycling, trading of petro-chemicals products, etc. We also specialise in the designing & manufacturing of low-voltage switch gears, control panel boards and much more. Established in 2009, our group has garnered a strong hold in multiple business sectors across Uganda.

Winworld Group of Companies holds a rich experience of more than 13 years in the manufacturing of plastic packaging materials & plastic recycling. We are known for our integrity & premium-quality products. Striving to create value for our customers, we ensure to deliver only the best. Our manufacturing units in Uganda are well-equipped with modern machinery & latest equipment. We have the capacity to produce over 1000 metric tonnes per month of flexible plastics, disposable plastics & recycling plastic wastes.

We are a strong team of more than **600 employees**, catering to the client base of several renowned companies in Africa.

## COMMITTED TO SUSTAINABILITY

### Making the society a better place to live in

Located in Kawanda, Kampala, Uganda, the Winworld Group of Companies is spread on 5.5 acres of land with a built up area of 107,000 sq.ft. Under the guidance of our founders & directors, Mr. Jagadish Sorathiya & Mr. Jitendra Sorathiya, our company has been able to achieve exponential growth in the industry. As a socially responsible organization, Winworld Group of Companies executes its operations by complying with its corporate social responsibilities (CSR). We ensure limited environmental ramifications.

## GROUP PHILOSOPHY

**Determined to leave a mark in the industry**

### MISSION
