About Us

We specialise in manufacturing of premium agarbattis, bamboo less sticks, dhoop cones, and sambrani cups.

Tirupati Balaji Fragrances & Perfumes is a renowned industry leader in the **production and distribution of top-tier aromatic biotic** materials. With a wealth of experience in the **fragrance and perfume** manufacturing industry, we have curated distinct aromatic scents including **Rose, Mogra, Chandan, Loban, and Panchamrit** etc for our extensive range of products. At Tirupati Balaji, we **embrace innovative approaches** and employ eco-friendly techniques to craft the **highest quality products**, tailored precisely to meet the exact needs and requirements of our customers.

We also take pride in serving as a **trusted raw material supplier** to key industry players. Our highly qualified team of professionals **possess in-depth knowledge** in the agarbattis and fragrances domain. **Stringent quality control measures** are taken at every stage to ensure optimum utilisation of resources and delivery of the **best-in-class solutions**. Our commitment to **international quality standards** applies to both the raw materials we supply and the products we offer, reinforcing our **dedication to excellence**.

MISSION

To enhance lives with nature's fragrances by **crafting quality**, eco-friendly products, providing spiritual tranquillity while **respecting our customers** and the environment.

VISION

To be the **global fragrance** and incense leader, enriching lives through **innovative**, sustainable, and soulful aromatic experiences, cherished by all.

CORE VALUES

At Tirupati Balaji Fragrances & Perfumes, we hold strong **ethical values** that make us stand out from the crowd. Our values and ethics are the **backbone** of our company.

SUSTAINABILITY

INNOVATION

Our Products (Overview)

We deeply comprehend and cherish the significance of authenticity and purity, inspiring us to deliver nothing but the finest to our valued customers.

Being a renowned raw material supplier and manufacturer of premium quality incense sticks under the **brand BABA SSHIV**, we bestow our customers an **impeccable range of products** made of the finest natural ingredients. Our products are thoughtfully crafted to initiate a captivating and enchanting voyage. All our products are made of **eco-friendly materials**, keeping sustainable practices in mind. We are known in the industry for our **quality and reliability** which has resulted in developing strong relationships with our vendors and customers.

Our products are enduring and instill a profound **sense of tranquility** in any environment. We pay close attention to delivering our products in attractive and sustainable packages. Our **R&D team** has curated unique packaging solutions to keep the freshness of the fragrance intact. The exquisite aroma of our agarbattis fills every heart with joy and weaves memories that stand the test of time. In addition to our **manufacturing expertise**, we are expanding into a full-fledged brand, poised to unveil our exclusive product line under the brand name BABA SSHIV.

OUR RANGE OF PRODUCTS

AGARBATTIS

DHOOPCONES

SAMBRANI CUPS

OUR BRAND

BABA SSHIV

AROMATIC SCENTS
ROSE, MOGRA, CHANDAN, LOBAN, & PANCHAMRIT

Agarbatti (Scented & Unscented)

Our state-of-the-art manufacturing unit is well-equipped to produce both scented and unscented agarbattis.

Tirupati Balaji deals in the **production and distribution of high-quality** raw agarbattis customised in different sizes and colors as per the needs and requirements of our clients. Along with that we distribute our final packaged products under the brand BABA SSHIV. We source the raw materials from **natural, authentic and reliable sources** using traditional practices to maintain the **highest efficacy of the natural ingredients**. Our state-of-the-art manufacturing unit is well-equipped to produce both **scented and unscented agarbattis**. With a USP to produce **low-smoke**, our agarbattis create an excellent **ambience and rejuvenate the environment**.

BAMBOOLESS STICKS (DHOOP STICKS)

We endow our customers with highly **aromatic and reliable** Bambooless Sticks. Our bamboo-less sticks envelop the surroundings in a **unique and luxurious** fragrance. The sticks are used as an alternative to the traditional bamboo sticks.

The incense sticks manufactured by us are **biodegradable and eco-friendly** and are ideal for eco-conscious individuals. The sticks are **perfect for prayers**, yoga, meditation, etc. and take you to a different realm.

Our products are also **affordably priced** and come in different **captivating scents**, each of which is unique and creates a sensation of richness. The incense sticks are crafted to burn evenly and release a consistent aroma.

Dhoop Cones

Tirupati Balaji specializes in crafting small, smoke-purifying dhoop cones, designed for various spiritual purposes.

These **low-smoke cones** are available in a range of scents and ensure even, consistent burning. Their aromatic essence lingers for hours, **effortlessly transforming the ambience**. Beyond their ability to refresh and uplift moods, these dhoop cones are not only **cost-effective** but also incredibly convenient to use. Tirupati Balaji's **commitment to quality** and authenticity shines through, offering customers a product that not only **purifies the air** but also adds **positivity to any environment**, making every penny spent well worth it.

SAMBRANI CUPS

Our organic sambrani cups **emit smoke** that can instantly uplift spirits and spread happiness. Each cup is meticulously crafted with **100% natural ingredients**, purifying the air

Our sambrani cups come in various **aromatic fillings**. Their versatility allows you to burn them anywhere in a room without disruption. It infuses the environment with a sacred aroma.

Beyond their delightful fragrance, these cups serve as efficient tools for **eliminating negative energies**, promoting an atmosphere of serenity and tranquility.

THEY BRING A SENSE OF PEACE, MAKING THEM A CHERISHED ADDITION TO ANY SPACE.

Our Manufacturing Unit

Our workforce is a top priority, and we invest in their training and development to meet our production deadlines effectively.

Our state-of-the-art manufacturing facility spans an extensive area and is equipped with **cutting-edge machinery and advanced technology**, ensuring optimal productivity and the highest quality output. We adopt innovative practices to ensure the optimum utilisation of resources. With a production capacity of **1-2 tons per day**, Tirupati Balaji has embarked on a mission to expand our production to **5-6 tons per day** by deploying advanced production tools and equipment. **Automation** is integral to our processes, minimizing human intervention and thereby enhancing efficiency and stringent quality control.
